PROFESSIONAL SUMMARY

Detail-oriented Information Systems graduate (Cum Laude) currently pursuing a Master's degree in Marketing Management through a fast-track program, with hands-on experience spanning social media management, copywriting, and visual content production. Combines a quality-first mindset — built through reviewing deliverables against defined standards and documenting evaluation results — with strong written documentation, transcription, and communication skills. Experienced in generative AI-assisted content creation and in producing accurate, error-checked output in Bahasa Indonesia and English (TOEFL 550), with a commitment to confidentiality, consistency, and on-time delivery.

EDUCATION

Universitas Brawijaya | Malang, Indonesia

Master of Management, Marketing | Aug 2023 – Present

- Fast-track program from Bachelor of Information Systems to Master of Marketing Management, demonstrating outstanding academic and interdisciplinary capabilities.

Universitas Brawijaya | Malang, Indonesia

Bachelor of Information Systems | Aug 2020 – Apr 2024

- Honors: Cum Laude (Graduated with Honors)
- Relevant coursework: software development lifecycle, systems analysis and design, database concepts, technical documentation, and user-centered design.

LEADERSHIP & ORGANIZATIONAL EXPERIENCE

OPTIIK (Photography & Design Organization), Universitas Brawijaya | Malang, Indonesia
Project Manager (Ketua Pelaksana) – OPTIIK Young Impact | 2022

- Led end-to-end event coordination across multiple divisions, tracking project milestones, driving on-site problem-solving, and maintaining a motivated, collaborative committee environment throughout preparation and execution.
- Defined quality criteria for visual branding and content direction, then reviewed and curated all creative outputs against them to ensure accurate, consistent, error-checked deliverables before release.
- Directed design and documentation teams, providing structured, detailed feedback to maintain a consistent visual identity across all materials.
- Produced and maintained clear written documentation across multiple divisions — briefs, guidelines, and reports — in Bahasa Indonesia.
- Managed deadlines and coordinated multiple parallel workstreams, ensuring on-time completion of all event materials.

OPTIIK (Photography & Design Organization), Universitas Brawijaya | Malang, Indonesia
Head of Human Resource Development (PSDM) | Mar 2022 – Jan 2023

- Directed internal orientation programs for 30+ participants, deepening their understanding of photography and design while ensuring the accuracy, consistency, and clarity of all delivered materials and written content.
- Conceptualized and implemented skill-building workshops and competition preparation classes with professional tutors in graphic design and photography, defining learning objectives, materials, and success criteria.
- Monitored and evaluated the performance of division heads, documenting observations and translating spoken discussions into structured written reports with constructive feedback to improve quality and productivity.
